Local Law Enforcement Agencies, State Law Enforcement Agencies, Units of local government (e.g., counties, cities, school districts), Federally Recognized Indian tribes and their public agencies, and Public Government Agencies

ABOUT THIS PROGRAM

The goal of this program is to improve school security on school grounds through the implementation of evidence-based school safety programs and technology, including:

- Coordination with local law enforcement;
- Training for local law enforcement officers;
- Allowable equipment and technology (e.g. access controls, doors, public address and mass notification systems, surveillance cameras, panic buttons, and other target hardening solutions); &
- Other measures to significantly improve school security.
